

## Ute Meyer: Picture "Sunflowers" (2016)

€2,100.00

This picture was taken in my garden in August. The bright yellow flowers, one fully blossomed, the others with lowered flower heads, are leaning towards the sun. The foliage and stems are strong. Their bright yellow stands out against the dark green of the vegetation. In the foreground, small, delicate white rose blossoms entwine around an arch. The warm summer light is captured impressionistically. My brushstrokes are impasto and expressionistic. The painting shows a summer afternoon in the garden with light and shadow, fragile and powerful plants. The canvas is hand-stretched, primed four times and fitted with a steel wire for hanging. My signature is on the front.
