

Ilona Schmidt: Picture "Leaps of thought" (2019)

€550.00

The portrait entitled "Gedankensprünge" captures the dynamism and complexity of the human mind. At the center of the picture is a face interspersed with a variety of graphic elements. These elements seem to be in a constant interplay, as if they were symbolically jumping back and forth, representing the fleeting thoughts and ideas that pass through our minds. Picture signed and dated on the back
