

Lana Frey: Picture "Red Storm" (2024)

€1,200.00

This cocktail is the true embodiment of strength and bravery. The vibrant contrast of deep red and rich blue creates an impressive visual effect, reminiscent of stormy waves crashing against the shore. The base is a spiced rum with notes of cherry and pomegranate, giving the cocktail its intense red hue. The blue curaçao liqueur adds a subtle citrus freshness, making the color play of the cocktail truly mesmerizing. "Red Storm" is the choice for those who aren't afraid to stand out and love exhilarating experiences.
