

Peter Nottrott: Picture "Summer Energy XXXL 1" (2021)

€10,990.00

An abstract, detailed painting with clear three-part structure that expresses a lot of energy. Appealing, upward lighter color formation, for which Peter Nottrott has mixed red, orange, magenta, pink, blue, green, lilac, beige, brown, yellow and white hues on the palette. He was inspired by summer impressions: warming sunshine, blooming summer meadows and much more. Due to its extreme format, the work is particularly suitable for large rooms with high walls.
