

Bea Schubert: Picture "Fly Me To The Moon No.1" (2021)

Fly me to the Moon No.1 is 200 cm high x 120 cm wide and 2.5 cm deep. It is part of the series "Power of Positivity". I believe that positivity can change the world. "Fly me to the moon" is inspired by Frank Sinatra's song. The artwork is painted on natural linen with high quality acrylic paints. The stretcher frame is Museo Alu Frame. It can not warp. The resistant aluminum guarantees durability and stability. The picture can be hung immediately. It does not require a separate device for it. The signature is on the canvas and on the back .
