

Sabrina Seck: Picture "Surya" (2025)

€3,200.00

Surya means "sun" in Indian. How fitting, because this portrait shines like the sun itself. The young Indian woman's eyes hold you captive, pulling you under their spell. But she is just as determined to achieve the goals she has set herself. With this work, they not only bring color into the room, but it fills it with power and warmth, like the sun itself.
