

Peter Nottrott: Picture "Desire Of Freedom XXL 3" (2022)

€3,290.00

Similar to a light, the bright center seems to be enthroned on a sweeping rising color fountain. For this purpose, yellow, white, orange, pink, magenta, lilac, blue, beige, brown and red shades as well as accents in black and green were mixed on the palette. While the center is crafted with contrast and detail, the background is more flat and pastel. The painting is signed on the front bottom right by Peter Nottrott and dated with the year of creation.
