

Ilona Schmidt: Picture "Mysterious places IV" (2023)

€1,500.00

Work no. 4 from the "Mysterious Places" series, these works tell of mysterious places. It invites the viewer to go on a journey of discovery and explore the secrets of these places. The vibrant colors and dynamic brushstrokes lend the painting a certain intensity and create an enigmatic atmosphere. There are no clear clues or obvious paths, but rather a multitude of details and elements to be discovered. Each viewer can find their own interpretation of the mysterious places and discover their own story within them. Signed and dated
