

Ilona Schmidt: Picture "When the blue cows dance" (2023)

€1,500.00

The painting "When the blue cows dance" shows a surreal scene in which blue cows dance happily and carefree. The image serves as a metaphor for unpredictable and extraordinary events that can surprise us in life. It symbolizes the joy and magic of such moments that make us wonder and stimulate our imagination. The picture was painted on 275 gr. Watercolor cardboard. Signed and dated.
