Anja Struck:
Picture "the secret of tranquility" (2021)

€3,800.00

This picture immediately puts the viewer in a vacation mood: blue sky, blue sea, a single small tree on the left of the picture. Maybe the tree is on the beach? In any case, the landscape in the lower part of the picture exudes a lot of warmth in its yellow, orange and ocher tones. The whole picture radiates peace and warmth. Here you can relax and rest - refreshment for the soul.
