Uli Fischer:
Picture "PULCHRITUDO / BEAUTY" (2022)

Here something very special. I had sold this motif to the USA and unfortunately it was damaged during transport, so it was then unusable. It is about a beautiful woman. From time to time I also do commissioned work by painting a face from a photo, of course in my style. This beautiful woman I just had to paint, the photo has inspired me so much and I think the result can be seen. Supported me my musical Alexa with great music by Celine Dion. I love this sensual music and I am sure that also in my works and especially in this is always a piece of music with it. I hope the beautiful woman soon finds a good buyer who gives her a great place. Maybe Celine will then also be heard :-) Many greetings from Lake Constance , Uli Fischer
