

Anke Gruss: Picture "Spring day on the Baltic Sea Kiel Holtenau" (2023)

€850.00

The first warm spring rays bathe the Baltic Sea near Holtenau in light shades of blue. The cool wind quickly blows the clouds in the sky. The picture was painted on site directly outside. You can feel the direct contact with the subject. With lively, rapid brushstrokes, this spring motif was banished to the painting surface.
