

## **Mina Ilic: Sculpture "Kaja, the superheroine" (2023)**

**€500.00**

Kaja is a captivating super heroine whose powers revolve around the realms of magic and illusion. With her mastery over mystical energies, she can conjure mesmerizing illusions that deceive and bewilder her adversaries. Kaja's magical abilities allow her to manipulate reality, creating illusions so convincing that even the most astute observers are left questioning what is real and what is not. Her enchanting spells and mystical prowess make her a formidable force in battle, as she can effortlessly disorient and confuse her enemies. But Kaja's powers extend beyond mere trickery; she also possesses a deep understanding of ancient spells and rituals, enabling her to tap into the very fabric of reality itself. With her magical prowess and unwavering determination, Maya stands as a beacon of hope, using her powers to protect the innocent and uphold justice in a world where the line between reality and illusion is blurred.
