

Mirek Kuzniar: Picture "Arc de Triomphe" (2022)

Paris cityscape with cars on the Champs-Élysées in front of the Arc de Triomphe monument. A large advertising poster with a woman leaning forward a bit is stuck to the green advertising pillar on the right. In front of it stands a man with his hands in his pockets, looking up at the woman on the poster. Between the advertising pillar and the triumphal arch are large trees. Because of their abstract nature, the trees give this painting a lively dynamic. Oil painting on canvas in spatula technique with certificate of authenticity, and signed on the front and back. Professional stretcher frame of German manufacture, made of coniferous wood. Covered by hand. The edges of the canvas are painted with acrylic paint black. April 2022.
