

Anke Gruss: Picture "St. Peter Ording" (2020)

€3,600.00

Stilt house in St. Peter Ording in warm sunlight. The picture shines in warm sun yellow. The colors describe a perceived state of light rather than a naturalistic rendering of the light on site. The stilt house appears light and peaceful. This picture was painted in oil glaze technique and thus gives the light a special depth of color.
