

Ute Meyer: Picture "Horseback ride in the forest" (2020)

€1,550.00

I observed this scene in a wooded area near Flensburg and later painted the picture based on photographic notes in the studio. Two adolescents are leading the child on the pony along the path between the trees. It is a September afternoon with dark green foliage and warm light. The picture reflects the peaceful mood of this afternoon. The canvas has a steel wire on the back for hanging. My signature is on the front.
