

ART Christa Haack: Picture "See the essentials 2" (2023)

€3,000.00

In my artwork, acrylic, colored pencils, ink and pigments merge into a lively dance of emotions. Abstract forms and expressionistic movements invite you to immerse yourself deeply. The powerful brushstrokes and the contrast of the colors release an energy that breathes a soul into spaces and encourages viewers to reflect. It is about seeing the essentials - feelings, dreams and the pulsating life itself.
