

Mila Weis: Picture "Hot Evening" (2024)

€3,900.00

In this work I combine passionate expression and dynamic impressions, inspired by the medium of acrylic. The abstract composition reflects an interplay of light and dark, with a swirl of rich sunset colors that fade into the depths of cooler, nocturnal tones. My intention was to capture the fleeting moments of a hot evening, that tension and pulsating life that energizes any living atmosphere.
