

## **BIGUI: Picture "Cherries #4" (2020)**

**€1,680.00**

My work reflects passion and the essence of pop art. I use acrylic paints to express the life-affirming energy and exuberant optimism of juicy cherries. The rich reds and play of light and shadow are meant to stimulate and bring joy to viewers. This painting will add a sense of abundance and enjoyment to any room. The painting has been stretched on a 3.5 cm deep gallery stretcher frame and can be hung without an additional frame, as the sides of the picture have also been painted.
