

Ilona Schmidt: Picture "Live for the moment" (2022)

€850.00

The portrait titled "Live for the Moment" shows a scene that evokes meditative thoughts. The colors blue, orange and green dominate the image and contribute to the atmosphere. The blue symbolizes calmness and serenity, while the orange and green represent energy and liveliness. The portrait encourages the viewer to live in the here and now and enjoy the moment. It reminds us that life is fleeting and that it is important to live each moment consciously. The meditative thoughts evoked by the image can serve to calm the mind and connect to the present moment. Overall, the Live for the Moment portrait radiates a positive and inspiring message that reminds us to live life to the fullest. Expressive portrait on canvas paper. Signed and dated
