

BIGUI: Picture "Power of Nature 5" (2023)

€1,980.00

In my artwork creation, I express the lush vitality of nature by capturing vibrant accents and sensual details with acrylic paints. This composition celebrates the energy and harmony of organic life, inviting the viewer to lose themselves in the interwoven beauty of vegetation. It is a piece that brings vibrancy to any space and reminds the viewer of the grounding power and beauty of the natural. The artwork can be hung without a frame. The canvas has been stretched on a 3.5 cm deep gallery stretcher frame and the sides of the picture have been painted.
