

Karin Döring: Picture "LICHTGESTALT XXXII [32]" (2025)

Medium: acrylic, relief structure, gilding with 24-carat gold leaf. The LIGHT SHAPE XXXII [32] embodies the asana Kapotasana, the pigeon - a posture known for its deep opening of the heart and its liberating effect on body and mind. This yoga picture on canvas captures the elegance and power of pigeon while translating the transformative energy of this pose into a visual language. The 24-carat gold leaf gilding adds purposeful accents that play around the figure like rays of sunlight, highlighting its spiritual essence. The golden elements symbolize the connection between the earthly and the divine, between strength and gentleness - a central theme of the dove asana.
