

KNÖ-REI: Picture "667-TH" (2025)

€1,200.00

The artist has created an inspiring composition with a modern aesthetic from a landscape of fields. In dialogue with the carefully selected colors, the arrangement and overlapping of the shapes creates a visual dynamic that transports us into the world of reflection. This special painting can be hung in two directions, creating completely different visual and emotional moods. So hang it on the wall the other way round depending on your mood :-). Painted on artist's canvas with high-quality acrylic paints. The painting has painted edges and should be hung without a frame. It is signed on the back.
