

Robert Hettich: Picture "Vibrato" (2024)

€5,300.00

The journey is a testament to a commitment to explore the individual's place in society and the complex interplay of circumstances to immerse oneself in the human experience and decipher the intricacies of existence and connection in a rapidly evolving world. The images depict immersive worlds that captivate the senses and lead the viewer on a journey of discovery. The compositions are carefully orchestrated, encouraging the viewer to take a closer look and reflect on the nuanced interplay of elements in each piece.
