

Bea Schubert: Picture "Flying Home No.9" (2024)

Flying Home No.9 is a 38 cm wide x 46 cm high, 1.2 cm deep mixed media (acrylic, acrylic ink, neon pastels, spray paint) painting. Delicate liquid glazes create a mystical atmosphere. The painting captivates with its complexity. The artwork is from the "Home" series. It embodies home, homeland, home, love, contentment, arrival. The work is ready to hang. The sides are painted, framing not required, but possible. The signature is on the front and on the back. Of course, like all my works, it has a glaze that protects against UV light. My artistic expression is a passionate rebellion against the dreariness of everyday life, a manifesto for the joy and wonder of being a child. In my works I unfold a world where light-heartedness and imagination reign, where colors come alive and hope and courage take on a tangible form.
