

Ulla Kutter: Picture "Cold Water" (2021)

€1,800.00

Three women are bathing in the refreshingly cold Baltic Sea. Ulla Kutter has rendered the green and gray of the sea and also the colors of the sand very sensitively. Dynamic and also somewhat unusual is the work by the division: three towels in the foreground, three women in the water in the middle of the picture. The towels point in the direction of the women, just like the clouds in the sky.
