Monika Gollasch:
Picture "Dragons on blue" (2024)

€700.00

Inspired by the Year of the Dragon in China, I have painted minimalistically in expressively reduced colors. By playing intuitively with the colors, completely new and fresh combinations are created after many color studies. Here the dragon is depicted in blue. Acrylic on canvas, painted around the edges and covered with protective varnish. The picture can be hung immediately on the stretcher frame, comes without an extra hanging device.
