

Heike Schumann: Picture "up close" (2022)

€1,200.00

This unique nude canvas painting has been carefully stretched on a 2 cm thick stretcher frame by the artist. The harmonious yet fascinating blue tones create a calming atmosphere that invites relaxation and meditation and stimulates the imagination. The artwork was created directly in the artist's studio, inspired by a model, and was applied to the canvas using high-quality acrylic paints. It is a hand-signed, unique piece that has been dated and personally signed by the artist. This exclusive collector's item lends a stylish and calm aura to any room.
