

Gary Westall:

**Picture "Le Coup de Vent" after Jean-Baptiste-Camille Corot."
(2024)**

€1,650.00

I painted this picture back in 2013 during a workshop at the Norfolk Painting School. Jean-Baptiste-Camille Corot (1796-1875) created the original "Le Coup de Vent". The aim was to be inspired by the colorfulness and the limited color palette. It was a very inspiring experience. Signed lower left. Oil on MDF - 61 × 50.8 cm.
