

Bea Schubert: Picture "Home Is Love No.11" (2025)

€1,960.00

"Home is love" is painted, scratched and sprayed in many layers. There are symbols on the artwork such as houses, ladders, trees with fruit, cacti, palm trees, hearts etc. The surface is both lively and calming in many areas. Our home is extremely important to our lives. Many of my artworks revolve around the theme of home. This is where we experience love and affection. It is where we feel safe and secure. The artwork is 80x120 cm and 2 cm deep on canvas, the single panel is 40x120 cm. The diptych can be hung together or separately. The sides are painted. Each canvas is signed. The picture is varnished (silk matt) to protect it from UV light. It can be hung immediately. A real "statement": Home is love! Fits perfectly with the Pantone Color 2025: Mocha Mousse. This color stands for warmth and harmony.
