

Ralf Schmidt: Picture "Potatoes I" (2011)

€690.00

The background scene of the drawing quotes the painting "The Potato Eaters" by Vincent van Gogh. The idea for the picture came about when I encountered a group of young women after visiting the Van Gogh Museum in Amsterdam, which provided an emotional contrast to what I had seen before. I also created a second, larger version of this motif in a modified color scheme. I used glazing, liquid acrylic paints, partly mixed with ink, applied with a brush on handmade paper. The size of the handmade paper with the drawing is 40 x 33 cm, supplied with a 50 x 40 cm passe-partout.
