

## C-I-Heinrich: Picture "Inbetween 2" (2024)

€2,100.00

"Inbetween 2" was created between the years 2023 and 2024. A white "avalanche" pushes its way through the picture at the front, a blue stream in the background, upwards. Some things have to be overcome, some left behind, new things awaiting us, everything connected with lines and scribbles in the foreground or background, growing, perhaps beyond us. In this way, "Inbetween 2" fits wonderfully into the big heading above all my work: *Panta Rhei* - everything is always in flux.
