

Peter Nottrott: Picture "Blue Symphony XL 11" (2022)

€2,390.00

The two-part center in the warm colors yellow, orange, pink, magenta, red, lilac, purple and white could remind of a duet of colors. Due to the contrasting background in mostly cool blue tones, the painting is charged with tension. The two color groups enrich each other, as in a symphony they result in the interplay more than each individually.
