

Sandra Gebhardt-Höpfner: Picture "My Poppies 3" (2024)

A field of poppies in summer. I captured the flowers with bold colors and dynamic brushstrokes. The essence of the flowers and their energetic radiance are very invigorating. The composition is intended to convey a feeling of joy and optimism to the viewer, to create an oasis of beauty in everyday life and to fill the home with positive energy. The original painting is signed on the front and signed + dated on the back. The sides are also painted. The picture can be hung directly with the attached hook. The main colors are pink, white, red, blue and green.
