

Eva Recordon: Picture "BLUE HOUR 499" (2022)

€2,800.00

The Blue Hour: some hours in the day are very special and the blue hour refers to the period of time within the evening or morning twilight during which the sun is so far below the horizon that the blue light spectrum in the sky is still dominant and the sky is colored blue, but the surrounding area is still illuminated by the golden residual light.
