

Heike Schumann: Picture "ANA - LYSE" (2022)

€1,800.00

The acrylic painting "ANA-LYSE" is inspired by a model. The arrangement of the paper collages and the monotype elements appears dynamic and lively. They seem to move around the model like lengths of fabric and give the figure a kind of protection. It is a tribute to the beauty and strength of the woman, who is characterized not only by her outward appearance, but also by her inner strength and determination. The artwork is a unique piece on a 4 cm deep canvas and belongs to the style of contemporary art, it is painted with high-quality acrylic paints and is dated and signed on both sides by the artist.
