Picture "Evita (Perón) I - esperanza" (2023)

€2,400.00

Work from the picture series "Courage Strength Resilience - Lifelines of Extraordinary Women". The mixed-media work was awarded the International Art Prize HONOURABLE MENTION AWARD by the Art Show International Gallery, USA, California, in 2023. Evita Perón's strength, her selfless social and political commitment, her courage to fight and break new ground inspired me to create this portrait. The portrait's depiction in the complementary colors yellow and purple with maximum luminosity matches Evita's personality, her very own inner radiance and her inexhaustible inner strength. For this mixed-media work, I used acrylic paints, graphite, tissue paper and oil pastels. The picture has structure due to the impasto application of paint and the tissue paper. The varnish is glossy.
