

## Dorothe Willeke-Jungfermann: Sculpture "Clear the ring" (2024)

€900.00

Come in for playful, acrobatic surprises. Here you can experience trapezes under a circus tent. Cheerful colors and geometric colors alternate in the work "Manage freely". This work consists of 3 canvases on stretcher frames; these are firmly attached to each other. Cheerfully painted with acrylic paints. The sides of the canvas are painted in different colors and extend the color motif on the front. It can therefore be hung freely. The square, central canvas measures 40x40 cm and is supplemented on the left and bottom by two triangles. Overall, the work is 59 cm wide and 57 cm long. The work is signed and dated on the reverse.
