

Sabrina Seck: Picture "I'm cool" (2021)

€2,900.00

The small, famous furry animal has already slipped into many roles. Most of the time, the beagle lies on the roof of his doghouse and pursues philosophical thoughts while he waits for the food that the "little round-headed boy" brings him. Even though he can't speak, he is by no means lacking in self-confidence.
