

Sabrina Seck: Picture "butterflies" (2021)

€2,900.00

Acrylic on canvas / wedge frame with gold leaf The connection between man and animal can be very intimate and sometimes indescribable. When man opens his heart to the beauty of nature, unimaginable things can happen to him. When you see not only with your eyes, but also with your heart, it opens doors to another world. The world of animals.... Due to digitalization and depending on the monitor settings, there may be slight color deviations.
