

Nicole Leidenfrost: Picture "Red bull/untamable" (2023)

€2,900.00

In this powerful work of art, the majestic presence of a bull is enhanced by the bold use of red color accents. The dynamic lines not only shape the animal, but bring its unbridled power to life. The abstract interplay of grey and red blends to emphasize the bull's energy and highlight its unparalleled strength. An implied frame sketch adds a touch of stability to this bold expression of power and vitality, anchoring the bull's intensity in the viewer's heart.
