

Mirek Kuzniar: Picture "In the Jardin des Tuileries" (2022)

€1,740.00

Paris in summer. People sitting outside on a summer day under large red umbrellas in the Paris Park Café, in the Jardin des Tuileries, enjoying the shade of the trees. Left foreground, a young couple in love, perhaps playing around with their smartphones. Some people sit in groups and discuss. While others prefer to be alone. A peaceful, summer café scene, which nevertheless shines because of the abstract trees, very energetic. Oil painting on canvas in spatula technique with certificate of authenticity, and signed on the front and back. Professional stretcher frame of German manufacture, made of coniferous wood. Covered by hand. April 2022.
