

Michael Pfannschmidt: Picture "LOVE OF MY LIFE" (2024)

€2,600.00

This breathtaking painting by artist Michael Pfannschmidt combines different art styles such as pop art, street art, resin art and 3D wall art to create a unique work of art. On a size of 87 x 70 cm, a fascinating interplay of colors, shapes and textures unfolds. The figures of Snoopy and Woodstock are lovingly hand-cut from aluminum, primed, painted and finished with epoxy resin. This creates an impressive 3D effect that makes the painting a real eye-catcher in any room. This abstract artwork combination of acrylic, resin, aluminum and wood is not only a work of art, but also a unique decoration for your home. Be inspired by this masterpiece and bring a piece of art history into your own four walls.
