

Gary Westall: Picture "Spring greeting" (2023)

€890.00

I painted this still life during a meeting with the group "Gary and the Piecemakers" in my studio. First of all, we all sketched the tulips. After that, I decided to capture this beautiful spring bouquet in paint. I had a lot of fun and enjoyment while painting. The paint was applied very pasty, almost like a sculpture. The picture is framed in a shadow gap frame.
