

Mina Ilic: Sculpture "Louise, the superheroine" (2023)

€500.00

Louise, the superheroine, is a courageous and determined person who possesses incredible abilities. With her super strength, she can effortlessly lift heavy objects and overpower her opponents. Louise's enhanced agility allows her to move quickly and gracefully, making her a formidable fighter. She also has the ability to heal at an accelerated rate, allowing her to recover from injuries surprisingly quickly. With her unwavering commitment to justice, Brigitte uses her powers to protect the innocent and fight evil.
