

Ute Meyer: Picture "Jørbæk /Ærø/Baltic Sea" (2022)

€650.00

I painted this watercolor on a sunny afternoon on the Danish Baltic Sea island of Ærø in June. Magenta hedge roses stand next to blooming sea cabbage in the foreground and offer a view of the blue-turquoise Baltic Sea. In the distance, a small peak of a cliff juts into the picture. The bright horizon line above the water enhances the depth of the picture. Light banks of clouds are layered in the pale blue sky. The picture support is handmade paper (640gr) from Arches. The watercolor is fixed on a 60x80 passe-partout cardboard. My signature is on the front.
