

Mina Ilic: Sculpture "Carla, the superheroine" (2023)

€500.00

I'm Carla, a superhero who can do almost anything! This superheroine is one of the superhero fighters with superpowers. Carla has superhuman strength and can fly. She is virtually invulnerable, as bullets and other missiles cannot penetrate her extremely tough skin. She can swim at superhuman speed, breathe underwater and is immune to the cold and pressure of the deep.
