

Ute Meyer: Picture "Autumn crocus" (2015)

€850.00

This picture was taken on a warm, sunny October day in Ute Meyer's garden. The focus is on the delicate purple flowers of the autumn crocus with their long, light-colored stems. Two deep red, small carnation blossoms flash out between the autumnal green of the foliage. The oil paint is applied impasto with spontaneous, swift brushstrokes. The shadows cast by the colors lend the painting plasticity. The canvas is hand-stretched, primed four times and fitted with a steel wire for hanging. The edges are painted. The picture can be hung directly. The signature is on the front.
