

Andrea Reichhart: Picture "TEATINA study II" (2023)

€1,600.00

TEATINA study II stands for the beauty of raw forms and the elegance of simplicity, which serves as Andrea Reichhart's creative compass. Her pictures impress with their modern and aesthetic simplicity. TEATINA study II combines expressive, minimalist forms with soft color tones. "I am a big fan of beige tones of all kinds: the soft color nuances have a gentle radiance and form a modern, timeless look with the clear lines and large-format figures." TEATINA study II is available solo and in combination with TEATINA study I. If you are interested in both works, there is a 20% discount on the second work. Please contact the support for this. The work is signed and dated and sealed with an additional varnish. Andrea Reichhart lives in Germany, studied at the Conservatory of the Arts in Amsterdam/Netherlands and has exhibited her work in Barcelona, Madrid, Zurich and Monaco.
