

Toni Nohe: Picture "Green Forest" (2024)

The painting Green Forest radiates a mystical calm, as if it were a secret place deep in the heart of nature that only a few know about. The vertical lines are reminiscent of trees roaring into the sky in endless harmony, while the soft blue and green tones immerse the viewer in a world of peace and tranquillity. In this forest, time seems to stand still - a place where you can leave the hustle and bustle of the world behind and recharge your batteries. Each color gradient whispers of hiddenness and the untouched magic of nature.
